

Hi there,

My name is Rose Schmitz and I work for CalEPA's Office of Environmental Health Hazard Assessment (OEHHA). I'd like to request the documents listed in the table below.

Chemical	CAS No.	Report Date	Report Description
Imazalil sulfate	58594-72-2	07/05/2018	CARC memorandum
Methyl isothiocyanate	6317-18-6	02/22/2018	CARC memorandum

The requested documents are referenced on the Office of Pesticide Programs' 2020 List of Chemicals Evaluated for Carcinogenic Potential.

Please let me know if there is any additional information needed from me to complete the FOIA request for these documents.

To my knowledge, most if not all previous FOIA requests from OEHHA staff have been provided at no cost; please let me know if that won't be the case in this instance.

Many thanks in advance,

Rose Schmitz, MS
